All children that attend Southern Methodist Church of Waynesboro Miss. Will be protected by the following means.

1. Unless you are a parent or guardian you are not to be alone with any child. If correction is needed and parents or guardian is not available, you are not to touch the child.
2. If assistance is needed in the bathroom, you and one other responsible adult along with a child from the class will go also.
3. No teacher is to take a child anywhere alone.
4 The person on guard duty must never be alone with a child.
5. If anyone must be alone with a child, you must be in the open fellowship hall so no suspicion can be advocated.
6. No one other than parent or guardian can take a child from children's church facility or th main church building.
7. No child is to leave the presence of the children's church workers at any time.
8. If you are on a field trip of any kind, all children must be accompanied by the church workers and at least one parent or guardian.
9. For outside activities children must be us strict observation by the children church worker
10. Our children deserve to be protected at all costs.
These are simple rules that must be followed for the safety and protection of the children God has placed in our care.
